Past Events & Highlights

Hello again everyone, I hope you all had a really good time last month. Our meeting brought out 12 members. Bingo will restart with the April meeting. Cards are now \$1 for two cards. This will help us to purchase new raffle items and game prizes. 50/50 tickets will also be available. I have accumulated a few raffles items so we will hold a raffle for these prizes. Tickets will be 1 for \$1, 6 for \$5, 12 for \$10.

Our first cruise of the year was the 3rd Annual Run to the River. Members to participate were Ray Mesaric & co, Andrew & Johna Gilland, Bonita Estes and Becky & I. Hopefully next cruise we can have better participation. The PT River Run was a blast. I understand from those attending they had way more cars show up than they had room for. Members showing their PT's were Steve & Janie Ricks, Qman Jones and Mr. T aka Spiderman. Spiderman won 2nd place for back deck and Steve & Janie walked away with 1st place for Interior. Congratulations everyone!

Our next trip was to Riverside to get together with the Double D Cruisers. Becky got it all down on paper and here is what she had to say.

Hey Everyone,

Well on Saturday, March 21st, a few of us headed down to Riverside, CA to go to the Double D's monthly Meet & Greet at Taco Station. We have been to a couple before & it is always lots of fun! This time was no exception.

Steve & Janie, Spiderman, & John & I met at the McDonalds over on Trop & Polaris. Had a little breakfast & took off from there. Nice drive down, got lots of looks from the few cars that were able to pass us, LOL. We made a couple of pit stops as us & Steve & Janie had our babies with us. We got to Riverside in a few hours just in time to get a good spot in the parking lot.

As usual with the Double D's we were greeted warmly & made to feel very welcome. They had music, raffle prizes (won a couple), 50/50 (didn't win) & Bingo. Mr. I never win anything, aka. Spiderman won at least 4-5 rounds of bingo! He got a lot of teasing about that one! They had 5 awards for best dressed PT in the St. Patrick's Day theme of the month (We kinda forgot so didn't dress up) but Spiderman won. YEAH!

All in all it was a lot of fun, friends & food (can you say Carne Asada Nachos?) I couldn't cause my mouth was too full of them! YUM. The people at Taco Station always treat them great & the Double D's really know how to put on a Meet & Greet. You all should go at least once & check it out. It's not that far & would give you a chance to see how other clubs do their

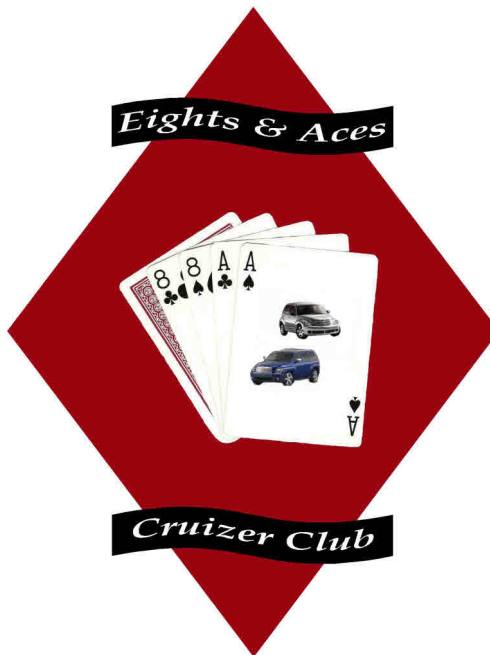

Becky

OK, thanks Becky for taking the time to write that up for us. Also, Art & Pat and myself, headed across town to help a good friend of our club to celebrate his birthday. Jake's 6th Annual Birthday Bash was great fun. Our PT's parked right up front, (maybe a little too noisy being next to the DJ, but still fun) but we had a great time just the same. All in all, a rather busy month, I'm sure others attend shows I am unaware of. So if you do go to a show, please write down something about it and email it to me. I'm sure you are all tired of hearing just my opinion of what's going on. I would just love it if any of you would write about any show and I **will** put it in the newsletter with your own byline.

Just a reminder, Primm is right around the corner, Saturday the 25th. Preregistration is over but you can still register at the show. As of this printing we have 7 members signed up and for now hold 1st place in club participation, But as you know that can change in an instant. I would love to see the turnout this year that we had two years ago. Let's all try to go, it is in **our** backyard and we shouldn't allow any other club to beat us out on participation.

One more thing, we announced at the last meeting that we would like to open the club to other makes & models of cars. As of now I have had only minimal response to the questionnaire sent to all of you. What was returned seems to be in favor of this action, so with that I present to you (some have seen this already) our new club name and logo. We will now be called the "Eights & Aces Cruizer Club" and our new logo is below. I will be making the changes to the website soon to reflect these changes.

** No Joke — How to find Bad Guys in your neighborhood**

The power of the Internet . . . This is VERY interesting! See who your neighbors are. After you type in your address, it pinpoints all the people close to your home that have been convicted of ANY felonies. Then you just click on the red pins/balloons on the map and it gives you the offenders name, age, and felony offense. Better to know, than not.

"Easter Morning"

The fasts are done; the Aves said;
The moon has filled her horn
And in the solemn night I watch
Before the Easter morn.
So pure, so still the starry heaven,
So hushed the brooding air,
I could hear the sweep of an angel's wings
If one should earthward fare.
