Happy Valentines Day!

Hello everyone. First off I would like to welcome our newest members Dan & Margaret Parrett. Our 1st new location meeting went pretty well. We had 10 PT's and 18 members attending. Hope to see more of you all in the coming months.

I have the new 08 calendars ready. Anyone that wants one contact me so that I can have enough printed for everyone at next months meeting. They are \$12.50 each with members PT's and even already have the meeting days marked. If you have any ideas for next years calendar let me know what they are such as adding in everyone's birthdays and anniversaries. I think that would be so cool. I only had a few of you send me pictures of you with your PT so in the coming months at any cruise, show or get together, I will attempt to get one taken.

On Saturday March 29th the Double D's are cruising up to Calico Ghost Town. Then some will travel on to Primm. I am working with Kathy & Glenn Marx so the Eights & Aces would arrive around the same time in Calico, tour the town, then, cruise back to Primm for dinner.

All those interested need to contact me so we have an accurate count for this cruise. Radios would be a really good idea as this would be about a 2 hour drive one way.

For any of you that attend a show that Becky & I are unable to be at. Let me know when and where the show was held and a short write up on all the happenings and I will include it in the newsletter. If you have taken pictures and have them loaded on to a web hosted album, send me the link so I may include it on our website photos page.

With that said, here is a report from Becky on the PT Round Up in the Desert 3. Put on by the AZ Cactus Cruisers in Scottsdale Arizona.

Well, John & I went to our first PTOC event on Jan 18, 19 & 20. It was PT Round Up in the Desert III hosted by the AZ Cactus Cruisers in Scottsdale AZ. There was a poker run on Friday at 2pm & we thought we left in plenty of time to get there for that. As we were going over Hoover Dam, I turned to John and said DUH! Time change! Arizona is the only state smart enough to stay on Daylight Savings Time. Needless to say we got there 15 minutes after everybody left.

Anyway, Scottsdale is a beautiful city so we explored a little, had dinner, went to the Show & Glow then called it a day. Next morning, 8am, we went to get set up for the show. It was held at Uncle Sam's Restaurant. The parking was great and the food was awesome! Great pizza, subs, hoagies etc (There went the diet!). They gave us free drinks all day. They even waited on you at your car if you so chose. The weather was beautiful so lots of people chose that option.

The restaurant is in a mall parking lot so we had lots of people walking around oohing & aahing over the PTs. There were 6 or 7 clubs represented including AZ Cactus Cruisers, Wild West Cruisers, Roadrunner Cruisers, Sooner Cruisers (Oklahoma-furthest traveled), Orange County PTOC & of course the Eights & Aces PT Cruisers with Bill & Sue Streeter and yours truly.

There was a 50/50 (didn't win) and lots of raffles prizes (won a couple). Linda & Bill from PT Boutique were there (spent toooo much money). The whole thing wrapped up at about 3pm or so. All in all, a great time. The next morning we went to the awards breakfast. Once again great location and great food. You guys should be proud of your club as we won Hottest PT and Bill won Show & Glow and also took home Best of Show. So see, we can win awards at a PTOC event. We had a great time, met lots of nice people and saw lots of cool cars.

A great weekend!

Becky

For those that chose to come out to play mini golf for our first club outing in how long? Thanks for coming. What an absolutely wonderful day. The only thing that could have made it better - - - a less crowded parking lot. Everyone seemed to have a really good time. I will post the scores for everyone to see. Ray is working on a bowling event for us and Kollene wishes to

host an electronic darts event at their home. more information on both to follow. Now for the scores.

Paul Sawyer came out to join us but did not play. Thanks for being there Paul.

Art put in a really good effort, but did not finish.
Ali had a really good time, and I'm told her score was - over?
Pat came in with a - 65
Tara, I hope I spelled that right, scored a - 62
James was next with a - 58
Kollene turned in a respectable - 55
Becky also followed with a - 55
Chris scored well at 1 under with a - 53
Ray the Music Man came in next with a score of - 52
I really surprised myself by turning a 4 under par - 50
and the big winner of the day with an outstanding score of 6 under with a 48 Mack MacDonald.

Congratulations Mack, and a well done to all. I hope to see more of you at the next outing. Till then 'Peaceful Cruisin'

A very Happy Valentines Day to all.

Time is too slow for those who wait, too swift for those who fear, too long for those who grieve, too short for those who rejoice, but for those who love, time is eternity.

President's Day is the 18th. Remember, Government offices and schools will be closed as will some banks. Also there will be no mail delivery.
