## October 2006

Hello everyone, This would be my first attempt at anything like this, so please bear with me. I thought we should highlight a members car at the top of this each month. I understand we are just a small club with not many cars, but wouldn't it be fun to see your PT featured every so often? We had 11 cars show up for September's meeting at the Sonic Drive Inn on East Tropicana. T-shirts are here and they look really good, window stickers are ready too. We are planning on trying to do some kind of games at the meetings and starting in January, Linda suggested we start having a 50/50 drawing. As of this printing I don't know where the next meet & greet will be. But let's try to have it somewhere so we can do a show & glow, we haven't done that in quite a while. So just a few new things to look forward to at future meetings. We'll see you all at the next one.

Upcoming events, cruises for our club, the AHC, the LV Cruisin Assoc. and even the DD's if you all are interested.

10/28 Double D's Spook & Shine at Dalton's Roadhouse 775 Center Dr. San Marcos, CA.

3/8-11/07 PT River Run Laughlin, NV

3/16-18/07 Cruisermania IV Prescott Valley, AZ

4/20-22/07 Double D's Freedom Run II Buffalo Bill's Primm, NV

Well let's see, we had 5 cars go to Route 66 Days in Flagstaff, Stephen & Janie, Robert & Linda, Jimmy & Jonnie, Bob & Shirley and Becky & I. All together there were 31 PT's present. Other than the rain when we arrived into town Friday evening and then again early Saturday morning it was an absolutely beautiful day.

Double D's September to Remember at the Historic Summit Inn at the top of Cajon Pass. Art & Pat Goldberg and Becky & I attended this show. There was quite a turnout. There were even several Hot Rods that came out. It was definitely a September to Remember for Becky & I as we won our very first trophy at this show.
